## From Fr. Tom Martin

Dear Brothers and Sisters in Christ,

As I begin my new ministry as Administrator of Saint Matthias Parish, I wish to extend my thanks to Archbishop Cordileone and the Priest Personnel Board for the confidence they have expressed in me. This appointment is, in part, a response to the listening session earlier this year when a broad cross-section of parishioners as well as staff were invited to express thoughts and ideas about the future of Saint Matthias. While I understand the responsibility such an assignment entails, I am very fortunate to have a history with our wonderful parish. I have very fond memories of my time here as a first-year seminarian and then as parochial vicar and administrator. I am enormously blessed that the Lord has called me to this apostolate and I look forward to growing with you in faith, hope, and love.

I am keenly aware of the many changes that have taken place in our community over the past few years. It has been at times unsettling and there was anxiety about the future. I believe that the past two years have been a blessing as Father Paul served as Administrator and Father Ted and myself have tended to the pastoral needs of the parish. This experience of having three priests serve Saint Matthias adds variety, different perspectives and styles and adds richness to our community and spiritual life. I look forward to continuing this effort with Father Ted as we welcome Father Edgardo Rodriguez as Parochial Vicar of Saint Pius X and Saint Matthias parishes.

During our most recent staff meeting, I indicated that I intend to be more visible in my role as Administrator. This includes being present to the parish and pre-school community as often as possible. Although Saint Matthias will not have a typical full-time resident priest, it is important for you to know that our clergy will be present for parish activities in addition to liturgical celebrations. I expressed at the staff meeting and want to re-iterate again my gratitude and thanks to Deacon Rich and Sabrina for assuming a greater role in the administration of the parish and the entire staff for their flexibility and dedication over these past years. I look forward to working together with them and with you to continue to build a vibrant, faith-filled Catholic community.

Let us pray for one another as we walk on our pilgrim's journey together. In a spirit of mutual respect and fraternity, may we continue to strive to do the good work the Lord has begun in us!

In Christ,

Father Tom

## Help St. Matthias' Financial Security—Consider Stock or IRA Contributions

### Did you know you can donate to the church directly from brokerage account?

A charitable contribution of long-term (owned over one year) appreciated securities is one of the most tax-efficient ways to donate to the Church. Long-term appreciated securities with unrealized gains may be donated to the Church and a tax deduction taken for the full fair market value of the securities. Since the securities are donated rather than sold, the capital gains taxes no longer apply. You get a full deduction for the securities and don't pay taxes on the gain! The more appreciation the securities have, the greater the tax savings will be. You can reach out to Sabrina Harper for an Archdiocese form that can be used to make the request through your broker. Consult a tax professional for specific guidance.

### If you are over 70 ½ you may be able to meet your minimum required distribution from your IRA.

Making a donation to St. Matthias directly from an IRA may provide a way to effectively claim a tax deduction and meet your IRA minimum distribution requirements for those 70 ½ and older. These are referred to as Qualified Charitable Distributions (QCD). Reach out to Sabrina Harper for the form that can be used to make the request through your broker. Consult a tax professional for specific guidance.

## Did you know...

Each week we provide a special Mass aide just for our younger Mass-goers? MagnifiKid is a fun and colorful booklet published weekly to give young readers their own way to follow along with the prayers and readings of the Mass. It includes cartoons, prayers and activities to do at home, definition of unfamiliar words and suggestions for families.

While the use of a missal may not be something familiar to many children today, following along with MagnifiKid can truly add to their understanding of the parts of the Mass and the Scriptures. Look for MagnifiKid on the rolling rack at the back of the church. Copies from previous weeks may also be found in the children's book cart near the parking lot-side doors.

## Community News

In response to the United States government’s current immigration policies regarding detention of families and children, the United States Conference of Catholic Bishops released the following statement by Daniel Cardinal DiNardo on June 13.

“At its core, **asylum** is an instrument to preserve the right to life. The Attorney General’s recent decision elicits deep concern because it potentially strips asylum from many women who lack adequate protection. These vulnerable women will now face return to the extreme dangers of domestic violence in their home country. This decision negates decades of precedents that have provided protection to women fleeing domestic violence. Unless overturned, the decision will erode the capacity of asylum to save lives, particularly in cases that involve asylum seekers who are persecuted by private actors. We urge courts and policy makers to respect and enhance, not erode, the potential of our asylum system to preserve and protect the right to life.

Additionally, I join Bishop Joe Vásquez, Chairman

of USCCB’s Committee on Migration, in condemning the continued use of family separation at the U.S./Mexico border as an implementation of the Administration’s zero tolerance policy. Our government has the discretion in our laws to ensure that young children are not separated from their parents and exposed to irreparable harm and trauma. Families are the foundational element of our society and they must be able to stay together. While protecting our borders is important, we can and must do better as a government, and as a society, to find other ways to ensure that safety. Separating babies from their mothers is not the answer and is immoral.”

Additionally, the USCCB published another statement from their Committee on Migration and reminded us that among the seven key themes of **Catholic Social Teaching** are dignity of the human person; a call to family, community and participation; option for the poor and vulnerable; and solidarity.
